47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

High speed internet is very important to me at home. I work at home at times and need a competitive marketplace with local and national carriers to offer a variety of services so one can meet my needs at a competitive price. Using Sonic fiber has been great and really want more local options to remain available.

Cheers,
